

### STABILITY DATA

Name of Product : Vitamin B2 80% SD (Feed Grade)  
 Test Method : HPLC

Packing : 20kgs net carton & 350kgs net big bags  
 Storage Condition : Samples were protected from light at temperature  
 30°C±2°C and 65%±5% RH

Batch/Lot No. Manu.Date	Storage Time	Appearance	Identification	Loss on Drying	Particle Size (60 U.S.Mesh)	Residue On Ignition	Assay	Judgement

**Conclusion:** The product analyzed as per our factory internal controlling specification confirms that it is stable for 3 (Three) Years.

Chief of Q.A. Dept: (Lu xingdong) Analyst: (Wu Xiaolan) Checker: (Wu Hongyan)

m. Product's expiry date (shelf life)

Product's shelf life is 3 years

n. Physical-chemical interactions ( incompatibilities ) with other substances.

No incompatibilities with other substances
